Christi Veleta

Outreach Program Chair
Jacksonville, Florida, EPB

Don Geiger

A&WMA Scholarship Fund Committee Chair
Geitech, Inc.

Greetings A&WMA Sections and Chapters!

The 2011 conference is less than four months away and we have some great ways for you to participate! We hope the 2011 conference theme “Beyond All Borders” will help spark conversations of environmental issues across the globe. The preliminary program highlights our great technical and social program, but we need your help in the following areas:

GRAND RECEPTION

We are expanding on our conference theme with our Grand Reception: “Beyond All Borders - Around the World with A&WMA”. During our reception, we’ll highlight food and beverages from five different countries; similar to the International Food and Wine Festival held at EPCOT. If you have a special traditional dress from your homeland, please wear it to the Grand Reception. We will also celebrate the diversity of our members, Chapters and Sections by showing photos from our members. Please send your photos showing your hometown, group activities, and native dress to Melynda Johnson at mjohnson@awma.org. Include your country name and “ACE PHOTO” in the subject line.

PIN TRADING

Disney has a long tradition of pin trading. While visiting the Walt Disney World Resort you and your family can trade Disney pins with cast members at all of the resort areas. In the spirit of *international free trade* - we’d like to expand the trading to our 2011 ACE. We encourage you to bring your local pins to Orlando to trade with fellow attendees.

SILENT AUCTION

Back by popular demand, 2011 silent auction will be held during the Grand Reception Tuesday evening. All proceeds from the auction will benefit the A&WMA Scholarship Endowment Trust Fund. We are looking for your donations such as gift certificates, frequent flyer miles, collectibles, local entertainment memorabilia, and passes or tickets to events. Monetary donations for the Scholarship Fund are also appreciated. Please contact Christi Veleta at christiv9@gmail.com or 904-778-1414.

Please contact us if you have any questions about the 2011 ACE. You can also follow our updates on Facebook and LinkedIn – look for the A&WMA 2011 Local Host groups on both sites.

See you in Orlando!

Becky Heilman
2011 General Conference Chair
